## Senior Urology Clerkship - Jacksonville

SUR E 9J | 4th Year Elective | Urology | Clinical Science | Jacksonville

MDT 7600 | Senior Urology Clerkship Jax

### Prerequisites

4th year medical student

### Course Description

The Fourth year elective is designed specifically for the student with a serious interest in a residency in urology. The level of responsibility will be the same as a 1st year resident. Students serve as the primary physician under faculty supervision for outpatient clinic and in-patient consults. Students will be expected to take a more active role in the operating room as well as pre-operative and post-operative care of urologic patients under the direct supervision of the urology staff. Self-education is stressed; but students also attend major departmental conferences. Recommended text for reading is an excellent understanding (i.e. read in preparation) of, "Smith's General Urology," Emil A. Tanagho and Jack McAninch Editors, most current edition is #18 at the time of this updated course description.
